

2011 SWANA-Georgia Chapter Road-E-O May 11 - Sponsor Opportunity

What a year this is going to be! Consider the benefits of putting your name in front of solid waste professionals from across the entire state -- THE state that will also be hosting the 2011 NATIONAL ROAD-E-O on Labor Day Weekend! We expect participants from throughout Georgia, as well as from neighboring Alabama and South Carolina.

Show your support for the backbone of our industry -- and impress the decision makers for whom they work -- by showcasing your name, product or service. Our sponsors will be recognized as part of the program through signage, verbal recognition, and vendor booth space. Please consider sponsoring this great event, which recognizes the core of our industry!
