REGISTRATION BROCHURE
Howdy!

Welcome to WASTECON®, Texas!

Association industry surveys consistently show that people belong to a professional association for the networking, and WASTECON® is SWANA’s annual face-to-face gathering that allows those important connections to flourish.

In this 52nd year of WASTECON®, we bring you the best the industry has to offer. And since we’re in Texas, naturally everything is “bolder and grander” than ever.

You’ll find a wealth of sessions and traditions pleasing to long-time attendees, as well as new ideas which challenge your thinking and encourage young people to make SWANA their professional home.

Some highlights to help you navigate this brochure and the conference:

- **Training courses: SWANA offers specialized training on several subjects unique to our industry. You can take many of these at WASTECON®. Special registration packages combine a training course with a few days to attend the exhibit hall and technical sessions as well, giving you a robust conference experience. (See page 7 for this year’s course list.)**

- **Professional Certification: SWANA’s certification is nationally recognized and attending WASTECON® helps you attain CEUs needed to maintain your professional recognition. Certification exams are also offered. If you are SWANA-certified, sign the Certification Tower and join us for the annual Certification Celebration. (See page 5)**

- **Safety Summit: Five sessions are offered to help you identify valuable resources for keeping employees healthy and safe. (See page 4)**

- **Mega Sessions: Progressive thinkers provide a big-picture vision of our profession and thoughts on changing conditions and new approaches. (See page 4)**

- **Technical Sessions: Also gain CEUs by attending presentations on current topics selected by your peers to address problems and questions relevant to the industry. (See the website wastecon.org)**

If you are a young professional (YP), you can experience all of these, while also gathering with other YPs for special events (see page 14). This is just a taste of what you’ll experience at WASTECON® — you’ll find much more in this brochure — a golf tournament, technical tours, and social events for the informal networking experiences that mean so much. (See pages 8-11) Round up your personal WASTECON® choices and register today!

Regards,

David Horinek
Superintendent, Solid Waste and Landfill
City of Ponca City
SWANA International President

**4th Annual SWANA Certification Celebration**

**Sunday, August 24th**

7:00 p.m. — 8:30 p.m.

Training and certification long have been the cornerstone of SWANA. Each year, hundreds of solid waste professionals demonstrate their commitment to their communities and the industry by becoming SWANA Certified. The SWANA Certification Celebration recognizes this elite group of individuals and our devoted, volunteer faculty members. The evening includes a cocktail reception, dinner buffet and recognition ceremony. If you are SWANA Certified, we look forward to honoring you at this premier event. If you would like to learn more about becoming party of this distinguished group of solid waste professionals, you are invited and encouraged to attend this celebration.

Separate ticket required to attend this pre-conference event for those not enrolled in a training course. One ticket to this event included in all training course packages.

Save $300 on Your Registration* See Page 16 for Details.

* Certain restrictions apply.

EVENTS

Ignite®
WASTECON®
Monday, August 25
5:30 p.m. — 6:45 p.m.

After an overwhelmingly positive response in prior years, SWANA’s Ignite® WASTECON® event is back in 2014 and promises to be even bigger and better! As the name implies, the fourth Annual Ignite® WASTECON® event is guaranteed to get you “fired-up” for the week. In case you haven’t heard, Ignite® is a series of five-minute talks with a twist. Presenters must “enlighten us, but make it quick,” with just 20 slides which auto-advance every 15 seconds.

Several of SWANA’s brave members have volunteered to share their personal and professional passions in this unique format. Join us, grab a drink and enjoy this casual cabaret atmosphere before heading to the opening reception.

Opening Reception
Texas Station Sports Bar
Located at the Gaylord Texan
Monday, August 25
7:00 p.m. — 9:00 p.m.
Ticket is required.

Start off a week of WASTECON® by gathering with friends and colleagues. This bar includes a 52-foot TV, pool tables, shuffleboard, arcade and patio. GET INTO THE GAME! Please wear a jersey or t-shirt of your favorite sports team as we start off our THEME DAYS!

THEME DAYS!
Show your WASTECON® SPIRIT!

Monday ........... Sports Day. Show your team pride by donning a favorite team jersey or attire.
Tuesday ........... Recycled Apparel Day. Show off your recycling talents by wearing something you’ve made or someone else has made.
Wednesday ... Cowboy & Cowgirl Day. Wear your cowboy hat, cowboy boots, big belt buckle.
Thursday ........ Beach Day! Let’s celebrate WASTECON® 2015 in Florida and get ready for fun in the sun.

For complete pricing and program details, please go to www.WASTECON.org
**SWANA’s Awards Breakfast**  
*Ticket is required.*  
**Tuesday, August 26 • 8:30 a.m. — 9:45 a.m.*  
This is our annual celebration of the best in the solid waste industry, as evaluated by our peers against rigorous professional criteria. Excellence Awards recognize organizations for their outstanding programs and facilities that meet technical, economic and regulatory state-of-the-art standards. Professional Achievement awards honor individuals for personal contributions to the profession and to SWANA. Faculty awards recognize the valuable work and commitment of the dedicated volunteers who develop and teach our training courses. Come cheer your colleagues and friends taking home the coveted SWANA trophies.

---

**WASTECON® 2015 Kick Off Party**  
**Thursday, August 27 • 4:00 p.m. — 5:00 p.m.**  
As the sun sets on WASTECON® 2014, join SWANA’s Florida Sunshine Chapter to start getting ready for WASTECON® 2015 in Kissimmee (Orlando area).  
Come see why you should plan a family vacation around this one!

---

**The Texas Chapter of SWANA presents**  
**Wednesday Night Networking Event**  
**Glass Cactus Nightclub**  
*Located near the Gaylord Texan*  
*A shuttle will be available from the hotel*  
**August 27 • 5:30 p.m. — 10:00 p.m.**  
*Ticket is required.*  
The Texas Lone Star Chapter of SWANA invites you to join your solid waste buddies for a night of boots, buckles and brews at the Glass Cactus at the Gaylord Texan.  
Come and enjoy an ice-cold beer or sip an exotic cocktail from one of the four Texas-sized signature bars and enjoy the tantalizing club cuisine or step out onto the outdoor patio and enjoy the view of Grapevine Lake. Come prepared to kick up your boots and polish those buckles on a 2000-square-foot dance floor, bathed in a million dollars of lights.  
You will enjoy a night of fun as big as Texas.
GOLD TOURNAMENT

Grapevine Golf Course
Monday, August 25, 2014

Grapevine, TX

Grapevine Golf Course stretches more than 6,900 yards when played from the back 18 tees, and what a journey it is. You’ll love the lush scenery of this Grapevine golf course, conveniently located near the Dallas-Fort Worth International Airport. The course, first built in 1979, has delighted Grapevine golf enthusiasts for years, offering a rare blend of water hazards, sand traps and rolling fairways that create a simultaneously challenging yet relaxing atmosphere. High handicapper? Low handicapper? It doesn’t matter. Grapevine Golf Course fits your game.

Registration from: 6:30 a.m. - 7:30 a.m.
Cost: $125 per player and includes golf greens fee, cart, breakfast and lunch

Download registration form:
wastecon.org

Submit form and payment to:
Texas Lonestar Chapter

email: ron.smith@dallascityhall.com
Monday, August 25, 2014

Tours are not included in Full Registration. Separate registration and fee required.

**Technical Tour 1 • 8:00 a.m. — 5:00 p.m.**

**ECS Refining** – Electronics Recycling & Asset Management Solutions facility

ECS Refining’s Mesquite, Texas, facility provides both end-of-life electronics recycling and reuse services on a large scale. This unique dual-competency allows ECS to provide secure and compliant solutions for all electronic material streams, including obsolete e-waste, CRTs and fully functional IT hardware.

**Republic Services Material Recovery facility**

Republic’s MRF provides regional commercial and residential recyclables processing for the Dallas-Fort Worth area.

**Technical Tour 2 • 8:00 a.m. — 5:00 p.m.**

**Peterbilt Motors Company Truck Plant, Denton, Texas**

Peterbilt is a division of Paccar Inc., a Fortune 500 company, and was ranked the third-largest manufacturer of medium and heavy-duty trucks in the world in 2011–12. Peterbilt is known for its leadership in the development of aerodynamic, lightweight commercial vehicles that has led to reduced fuel consumption and increased efficiencies. Paccar, Inc., was awarded the National Medal of Technology at the White House in 2006. The Peterbilt truck assembly plant is an example of modern assembly line production incorporating technology to maintain cost effective heavy trucks that include hybrid, CNG and LNG powered vehicles for the transportation and refuse industries.

**Pratt Industries Material Recovery facility**

Pratt is America’s fifth largest corrugated packaging company and the world’s largest, privately-held 100% recycled paper and packaging company. Pratt’s Denton facility provides single stream recyclables processing for several communities in the area and also process recyclables from commercial customers. Pratt’s recycling centers provide feedstock for its 100% recycled paper mill in Shreveport, Louisiana.

**City of Denton ECO-W.E.R.C.S Complex**

The City’s Wastewater Treatment and Municipal Solid Waste facility has a wide variety of operations on site, including an enhanced leachate recirculation landfill, a LFG-to-energy plant, a biosolids and food waste composting and marketing operation, a household hazardous waste processing facility, a building materials (C&D) recycling processing operation. The City is the exclusive service provider for solid waste services and its collection services fleet also is housed at this facility.

**At WASTECON® you won’t just hear about the latest and greatest in solid waste, you will experience it. Choose from one of our two exciting tour options to get a first-hand look at some of Texas’s premiere facilities and operations. Space is limited, so don’t wait to register.**

YP Networking Mentoring Event

Monday, August 25 • 9:30 p.m. — 11:00 p.m.

Ready…Set…NETWORK! We know how difficult it is to meet other young professionals in the field, which is why the SWANA Young Professionals (YPs) group is hosting its Annual YP Networking Event at WASTECON® 2014. Attendees will have the opportunity to learn more about the SWANA YP group, expand their professional networks, make new friends and share their ideas and goals—all in an enjoyable social environment. Door prizes will be awarded, and a cash bar will be available. We hope to see you there!

Looking for the guidance and advice of an industry professional? Join the YP Group in a unique, casual event that pairs YPs and experienced solid waste leaders for potential mentoring matches.

At WASTECON® 2014, this mentoring event provides a venue for YPs to seek out mentoring partnerships during a casual, fast-paced, non-traditional means to connect with a number of industry professionals who are willing to share their career knowledge, industry insight and work experience. Join us to learn more about the SWANA YP group, expand your professional networks and make new friends.

If I Knew Then, What I know Now...

Interested in being a Mentor to a SWANA YP? Share your industry experience and help guide a rising star to new career heights at this year’s WASTECON® 2014. Contact Shelby Truxon at Struxon@swana.org to volunteer!

YP Booth

Visit the YP Booth in the Exhibit Hall and meet your peers in person. Learn more about networking opportunities as a YP and find out how to get involved in efforts to advance the industry AND your career through SWANA.

YPs SAVE! Go to WASTECON.org to Register at Special YP Rates. See page 17 for details.

For complete pricing and program details, please go to www.WASTECON.org
What if just about a $ coin for every ton of solid waste you manage provided you with the knowledge needed to advance your MSW system?

The Applied Research Foundation supports SWANA’s mission through collectively-funded and defined research projects that address pressing municipal solid waste management issues.

SWANA’s Technical Divisions

SWANA’s Technical Divisions provide opportunities for members to meet and interact with professionals specializing in all aspects of solid waste management, including:

- Collection & Transfer
- Landfill Gas Management
- Planning & Management
- Waste-to-Energy
- Communication, Education & Marketing
- Landfill Management
- Recycling, Composting and Special Wastes

Benefits of Technical Division Membership

**Shape the Future of SWANA**
Assist in the development of technical programs for conferences and events or guide technical policy development and advocacy initiatives.

**Idea Sharing**
Network with 3,000 other division members at Technical Division meetings held at SWANA events, through on-line communication tools and by taking advantage of each division’s on-line community forum.

For complete pricing and program details, please go to [www.WASTECON.org](http://www.WASTECON.org)
WHO IS SWANA?

SWANA is not just a group of more than 8,000 solid waste professionals across the United States, Canada and beyond with a mission to advance the practice of environmentally and economically sound management of municipal solid waste. SWANA also is...

YOUR CONNECTION to other solid waste professionals for advancing yourself both personally and professionally.
- Chapters
- Technical Divisions
- Face-to-face networking events
- Online directory and social networking

YOUR RESOURCE for key information that will translate into more efficient operations, innovative ideas and enhanced communication.
- I AM SWANA News
- MSW Management: SWANA’s official bi-monthly magazine
- eLibrary presentations, documents, and videos
- Regular updates on advocacy issues
- Applied Research Foundation (ARF) reports

YOUR PARTNER in finding solutions to your unique challenges from career development, to finding the best savings on events and products needed to take you to the next level as a solid waste professional.
- Leadership positions and program development opportunities
- SWANA Career Center, the premier electronic recruitment resource for the industry
- Special members-only savings on SWANA training and certification
- FREE trial membership in the International Solid Waste Association (ISWA)
