### **Experience Hands-On Learning at RCon™ 2025**

RCon™ has a range of experiential learning activities giving attendees the chance to learn with hands-on knowledge on each day of the conference. RCon offers attendees a unique blend of educational sessions and real-world demonstrations to enhance your understanding of the latest technologies and best practices in waste and resource management.

The tours and activities provide valuable insights into challenges and solutions, ensuring that participants leave with actionable knowledge to implement in their own operations. Don't miss this opportunity to engage with all the different tours and interactive exhibits that will enrich your professional development.
