September 26–October 2, 2026

Quick-reference schedule for attendees without the RCon mobile app. Times shown for tours indicate departure time. Agenda details are subject to change; consult the RCon website for the latest information: swana.org/events/rcon2026/agenda.

Monday, September 28

7:00 AM–4:00 PM

Registration / Badge Pick-up

Location: Washington Lobby

8:00 AM–5:00 PM

Essential Leachate PFAS Treatment and Management Training for Landfill Professionals

Location: Room 231

Speakers: Patrick Stanford, Amanda Wade

8:00 AM–5:00 PM

Landfill Gas Basic Training

Location: Room 232

Speakers: Matthew Stutz, Russell Anderson, Lee Daigle

8:00 AM–5:00 PM

MOLO® – Landfill Management Essentials Training

Location: Room 230

Speaker: Michelle Langdon

8:30–11:30 AM

SWANA Board of Directors Meeting

Location: Room 370

9:00 AM–3:00 PM

National Recycling Coalition Circularity Forum

Location: Rooms 100-101

11:00 AM–12:00 PM

SWANA Advisory Council Lunch

Location: Room 103

12:00–2:30 PM

SWANA Advisory Council Meeting

Location: Rooms 104-105

2:45–3:30 PM

SWANA Board of Directors Meeting

Location: Room 370

3:00–8:00 PM

Exhibitor Set-up Hours

Location: Exhibit Hall 1-2

Tuesday, September 29

7:00 AM–7:00 PM

Registration / Badge Pick-up

Location: Washington Lobby

7:00 AM–7:00 PM

Reset and Recharge Room

Location: Room 241

7:00 AM–7:00 PM

Speaker Ready Room

Location: Room 230

7:15 AM

Inside Recycle City: Advanced MRF, Transfer & Composting Operations Tour

Location: Washington Lobby (tour departure)

8:00–9:00 AM

Chapter Connect Breakfast

Location: America's Ballroom Prefunction (outside Rooms 223-224)

8:00 AM–1:00 PM

Exhibitor Set-up Hours

Location: Exhibit Hall 1-2

8:30 AM–3:30 PM

National Stewardship Action Council Meeting

Location: Room 242

8:45 AM

Along the Greenway: Native Habitat Restoration & Recycling in Practice

Location: Washington Lobby (tour departure)

9:00 AM–12:00 PM

Chapter Connect

Location: Rooms 223-224

10:15 AM

Play with Purpose: Disc Golf, Sustainability & Smart Land Reuse

Location: Washington Lobby (tour departure)

11:30 AM–12:45 PM

Chapter Connect and Technical Division Lunch

Location: America's Ballroom Prefunction

12:30–1:30 PM

Collection & Transfer Technical Division Meeting

Location: Room 231

12:30 PM

Inside Recycle City: Advanced MRF, Transfer & Composting Operations Tour

Location: Washington Lobby (tour departure)

12:30–2:00 PM

NWRA Safety Committee Meeting

Location: Room 226

12:30–1:30 PM

Planning & Management Technical Division Meeting

Location: Room 225

12:30–1:30 PM

Sustainable Materials Management Technical Division Meeting

Location: Rooms 104-105

12:45–2:15 PM

Chapter Connect Breakout (optional)

Location: Rooms 223-224

1:00 PM

Champ Landfill: A Frontline Look at PFAS Treatment & Sustainable Operations

Location: Washington Lobby (tour departure)

1:45–2:45 PM

Communication, Education & Marketing Technical Division Meeting

Location: Room 231

1:45–2:45 PM

Landfill Management Technical Division Meeting

Location: Room 225

2:00–3:00 PM

NWRA / SWANA Joint Safety Committee Meeting

Location: Room 226

2:45–3:45 PM

Welcome to RCon: The Insiders Orientation

Location: Rooms 223-224

Speaker: Kevin Roche

3:00–4:00 PM

Landfill Gas & Biogas Technical Division Meeting

Location: Room 231

3:00–3:30 PM

Landfill Rebranding Sub-Committee Meeting (Communication, Education, and Marketing and Landfill Management Technical Divisions)

Location: Room 225

4:15–5:30 PM

Opening General Session - Safer by Design: How Technology Is Transforming Industry Safety

Location: America's Ballroom (Rooms 220-222 and 227-229)

Speakers: Philip Carrillo, Billie Kizer, Tom Koutroulis, Melissa Russo, Lynsey Baer

5:30–7:30 PM

RCon Exhibit Hall Open

Location: Exhibit Hall 1-2

5:30–7:30 PM

RCon Opening Reception

Location: Exhibit Hall 1-2

8:00–10:00 PM

Volunteer Appreciation Bash

Location: Anheuser-Busch Brewery

Wednesday, September 30

6:45 AM

Inside Recycle City: Advanced MRF, Transfer & Composting Operations Tour

Location: Washington Lobby (tour departure)

6:45–7:30 AM

Yoga @ RCon - Starting the Day Refreshed

Location: Room 200

7:00 AM

Champ Landfill: A Frontline Look at PFAS Treatment & Sustainable Operations

Location: Washington Lobby (tour departure)

7:00 AM–4:30 PM

Registration / Badge Pick-up

Location: Washington Lobby

7:00 AM–4:30 PM

Reset and Recharge Room

Location: Room 241

7:00 AM–4:30 PM

Speaker Ready Room

Location: Room 230

Concurrent Sessions | 8:15–9:15 AM

Advancing the Solid Waste Industry Through Young Professional Networks, Innovation, and Collaboration

Location: Room 226

Speakers: Haley Kunert, Mikey Pasciuto, Mark Ladney

Building Up Instead of Out: A Case Study in Vertical Landfill Expansion and Long-Term Planning

Location: Rooms 104-105

Speakers: Nicholas Kohr, Benjamin Allen, Aaron Rice

Designing a Vape Waste Collection Pilot: A Guide to Regulations, Infrastructure and Safety

Location: Room 224

Speakers: Hanz Atia, Angie Snyder

How to Tell Your Drivers Where to Go: Navigating Implementation of Electronic Routing Systems

Location: Room 225

Speakers: Jennefer Klennert, Sarah Sims, M. Duane Wright

Monitoring Points: Assessing the Effectiveness of Landfill Gas Migration Monitoring Programs

Location: Room 223

Speaker: Gordon Parish

PFAS Impacts on NPDES Permits, Biosolids, and What Landfill Operators Need to Know

Location: Room 102

Speaker: Paul Jackson

Rethinking Urban Collection: What If We Designed the System From Scratch?

Location: Rooms 100-101

Speakers: Raul Amerigo, Donald Ross, Jan Baron, Marc Van Brakel

Stopping Battery Fires Before They Start: Practical Hazard Detection Strategies for Waste Facilities

Location: Room 103

Speaker: Raghav Mecheri

9:30–11:00 AM

General Session - From Design to Recovery: Collaborating Across the Recycling Value Chain

Location: America's Ballroom (Rooms 220-222 and 227-229)

Speakers: Fisk Johnson, Jeff Bezzo, Jeff Fielkow, Mo McReynolds, Ryan Nordt

11:00 AM–5:00 PM

RCon Exhibit Hall Open

Location: Exhibit Hall 1-2

11:00 AM–12:30 PM

Lunch in the Exhibit Hall

Location: Exhibit Hall 1-2

11:10–11:40 AM

Rapid Insights | Short-Staffed at the Scale: What Automation Can (and Can't) Do

Location: New Way Theatre, Exhibit Hall 1-2

11:30 AM–12:30 PM

Applied Research Foundation Luncheon

Location: Room 231

11:50 AM–12:20 PM

Rapid Insights | Every Leak Has a Cost: Modernizing Methane Monitoring from Reactive to Real-Time

Location: New Way Theatre, Exhibit Hall 1-2

Speaker: Andres Quijano

12:30–1:30 PM

Legislative & Regulatory Sub-Committee Meeting (Landfill Gas & Biogas Technical Division)

Location: Room 232

12:30–1:00 PM

Packmat Equipment Live Demonstration

Location: Exhibit Hall 1-2

12:30–1:00 PM

Rapid Insights | Maximizing Truck Life: Maintenance Operation & Uptime

Location: New Way Theatre, Exhibit Hall 1-2

1:30–2:00 PM

Packmat Equipment Live Demonstration

Location: Exhibit Hall 1-2

1:30–2:30 PM

Waste Conversion & Energy Recovery Technical Division Meeting

Location: Room 224

2:00–2:30 PM

Rapid Insights | Building the Modern Waste Enterprise

Location: New Way Theatre, Exhibit Hall 1-2

3:00 PM

Champ Landfill: A Frontline Look at PFAS Treatment & Sustainable Operations

Location: Washington Lobby (tour departure)

3:00 PM

Washington University: Waste Reduction, Circularity & Campus Sustainability in Action

Location: Washington Lobby (tour departure)

Concurrent Sessions | 3:00–4:00 PM

Building Solid Waste Infrastructure Through Internships: A Case Study in HHW Tunnel Transformation

Location: Room 225

Speaker: Adeemir Dacenay

Bulky Waste, Trucks, and Service Cost Increases, Oh My! How Communities Are Addressing Some of the Most Common Recycling and Waste Collection Challenges

Location: Rooms 100-101

Speakers: Caroline Mitchell, Nina Waysdorf, Sheri Collins, Sarah Haas

EPR 101 for Waste Professionals: What It Is, How It Works, and Why It's Coming to Your State

Location: Room 226

Speakers: Darla Arians, Hanz Atia

From Landfill Abatement to Fossil Fuel Replacement: Turning Your Waste Into Our Fuels to Support a More Carbon Neutral Built Environment

Location: Room 224

Speakers: Robert Smouse, Mike Luvín, Kyle Pukylo

Horizontal Landfill Gas Collection Systems: Practical Design, Field Performance, and Lessons Learned

Location: Room 223

Speakers: Seamus Crane, Zach Venable, Lee Daigle

Up, Down and Sideways – What Makes Recycling Markets Move the Way They Do?

Location: Room 102

Speaker: Chaz Miller

Your Community Holds the Power to Reduce Single Use Plastics

Location: Rooms 104-105

Speakers: Keri Marrs Barron, Julie Peller

Zero Waste Facility Planning: Integrating Waste Management Into Manufacturing Operations

Location: Room 103

Speaker: Brent Perdue

Concurrent Sessions | 4:15–5:15 PM

A Slippery Slope, The Interface of Biosolids/Sludge Acceptance and Landfill Operations

Location: Room 223

Speakers: James Moore, Jeffrey Murray, Patrick Stanford, Elizabeth Osborne, Crystal Stapely

Building Better Solid Waste Contracts: Procurement Strategies That Protect Local Governments and Haulers

Location: Room 102

Speaker: Brent Perdue

Fork in the Road: How Haulers Are Navigating Technology Mandates, Market Pressure, and the Case for Simplicity

Location: Rooms 100-101

Speakers: Tyler White, Tracey Thurman, Sean Wyatt, Al Blease

From Landfill Gas to RNG—Understanding the Technologies, Markets, and Pathways to Value

Location: Room 226

Speakers: Patrick Serfass, Tyler Russell, Tanguy Largeau, Erik Hoving, Peter Smith

Leadership Is Not a Template: Lessons for the Next Generation of Leaders

Location: Rooms 104-105

Speakers: Stephen Herring, Haley Kunert

Policy Momentum and Market Reality: Federal and State Regulatory Trends Affecting Solid Waste & Recycling

Location: Room 103

Speaker: Anne Germain

Public Confidence in Recycling to Drive Change

Location: Room 224

Speakers: Cody Marshall, Eric Dennis

Strategies for Material Recovery Facilities to Maximize Recovery for a Circular Future

Location: Room 225

Speakers: Kate Krebs, Kristen Wieland

5:30–7:00 PM

Canadian Attendee Mixer

Location: None of the Above Speakeasy, City Foundry STL

5:30–7:00 PM

Young Professionals Networking Event at Puttshack

Location: Puttshack

7:00–9:30 PM

SWANA Awards Celebration

Location: 18Rails

Thursday, October 1

6:45 AM

Inside Recycle City: Advanced MRF, Transfer & Composting Operations Tour

Location: Washington Lobby (tour departure)

7:00 AM

Champ Landfill: A Frontline Look at PFAS Treatment & Sustainable Operations

Location: Washington Lobby (tour departure)

7:00–7:30 AM

RCon Fun Run

Location: Washington Lobby

7:00 AM–4:30 PM

Registration / Badge Pick-up

Location: Washington Lobby

7:00 AM–4:30 PM

Reset and Recharge Room

Location: Room 241

7:00 AM–4:30 PM

Speaker Ready Room

Location: Room 230

Concurrent Sessions | 8:15–9:15 AM

Beyond Reserves: Structuring Investment Trusts for Closure and Post-Closure

Location: Rooms 104-105

Speakers: Kelli Toth, Thierry Boveri

Foundations of Media Engagement - How to Be an Emerging Media Star

Location: Room 103

Speaker: Tracy Wholf

Imposter Syndrome in Technical Fields: Let's Talk About It

Location: Room 226

Speakers: Ashley Ramsey, Hailey Tatum, Rachel Musetti, Erin Oulton, Kate Howe, Samarjeet Kadam, Lawrence Olawoore, David Sabarish Villavan Kothai

Landfill Gas Leaders: Lessons, Evolution & Innovation

Location: Room 223

Speakers: Corina Sheridan, David Penoyer, Randy Beck, Peter Carrico, Matthew Stutz, Edward Vogel

Municipal Solid Waste Resource Recovery: A Promising Environmental Treatment for PFAS

Location: Room 225

Speakers: Michael Cook, Samuel Holl, Robert Craggs

Safety Crisis in the Waste Stream: Battery Fires and the Rise of Product Stewardship

Location: Room 102

Speakers: Darla Arians, Hanz Atia

SpheriCity: A Data Tool Helping Cities Identify Circular Solutions

Location: Room 224

Speakers: Jenna Jambeck, Jennifer Wendt, Zeinab Masalegooyan

The Rollout Playbook: Proven Strategies for Major Solid Waste Service Changes

Location: Rooms 100-101

Speakers: Nick Zoller, Samantha Villegas, Tracey Thurman

9:30–11:00 AM

General Session - Innovation: Nature-Based Solutions and the New Economics of Circularity

Location: America's Ballroom (Rooms 220-222 and 227-229)

Speakers: Preston Lee, Joanne Rodriguez, Alando Simpson

11:00 AM–3:00 PM

RCon Exhibit Hall Open

Location: Exhibit Hall 1-2

11:00 AM–12:00 PM

SWANA and ISWA: Learn About International Collaboration

Location: Room 231

11:00 AM–12:30 PM

Lunch in the Exhibit Hall

Location: Exhibit Hall 1-2

11:10–11:40 AM

Rapid Insights | Battery Collection and Recycling: New EPA Resources and Emerging Trends

Location: New Way Theatre, Exhibit Hall 1-2

Speaker: Kimberly Cochran

11:15 AM

Facilitated Roundtable Discussion - Beneficial Use of WTE Ash

Location: Exhibit Hall 1-2

Speakers: Beth Keister, Ahmad Sadri, Ramana Kari

11:15 AM

Facilitated Roundtable Discussion - Leveraging Technology for Improved Solid Waste Collections

Location: Exhibit Hall 1-2

Speaker: Amanda Erickson

11:15 AM

Facilitated Roundtable Discussion - Turning Waste into New Revenue Opportunity with Renewable Natural Gas

Location: Exhibit Hall 1-2

12:00 PM

Facilitated Roundtable Discussion - Industry Safety with a Focus on CNG Vehicles

Location: Exhibit Hall 1-2

Speaker: Luke Procter

12:00 PM

Facilitated Roundtable Discussion - Turning Waste into New Revenue Opportunity with Renewable Natural Gas

Location: Exhibit Hall 1-2

12:30–1:30 PM

Field Practices and Extraction & Control Sub-Committee Joint Meeting (Landfill Gas & Biogas Technical Division)

Location: Room 231

12:30–1:30 PM

Leachate & Landfill Liquids Sub-Committee Meeting (Landfill Management Technical Division)

Location: Room 232

12:30–1:00 PM

Packmat Equipment Live Demonstration

Location: Exhibit Hall 1-2

12:30–1:00 PM

Rapid Insights | Enhancing Landfill Gas Control with an Innovative Integrated Cover and Shallow Gas Collection Technology

Location: New Way Theatre, Exhibit Hall 1-2

12:45 PM

Facilitated Roundtable Discussion - Expiring PPA: What's Next?

Location: Exhibit Hall 1-2

12:45 PM

Facilitated Roundtable Discussion - Greening the Crowd: How Festivals and Stadiums Are Rethinking Waste with Reuse, Recycling, and Composting

Location: Exhibit Hall 1-2

Speaker: Morgan McCarthy

12:45 PM

Facilitated Roundtable Discussion - Turning Waste into New Revenue Opportunity with Renewable Natural Gas

Location: Exhibit Hall 1-2

1:15–1:45 PM

Rapid Insights | 5 Stages of Community Engagement

Location: New Way Theatre, Exhibit Hall 1-2

1:30 PM

Facilitated Roundtable Discussion - Battery Safety

Location: Exhibit Hall 1-2

1:30 PM

Facilitated Roundtable Discussion - What's Next in Landfill Gas?

Location: Exhibit Hall 1-2

1:30–2:00 PM

Packmat Equipment Live Demonstration

Location: Exhibit Hall 1-2

2:00–2:30 PM

A Hub for Landfill Methane Management and Measurement Technology Assessment: The Three Rivers Waste Authority Regional Landfill

Location: Room 223

Speaker: Caroline Saul

Concurrent Sessions | 2:00–3:00 PM

Animal Mortality and Disease Management via Composting or Landfilling

Location: Rooms 104-105

Speaker: Robert Michitsch

Backing Safety: Lessons and Solutions from the Field

Location: Room 224

Speakers: Kristyn Oldendorf, Tom Parker

Building Circular Cities: Advancing Sustainable Materials Management Through C&D Recycling

Location: Rooms 100-101

Speakers: Andrea Johnson, Boyd Jones

EPR in the Heartland: How Local Advocates Are Advancing Product Stewardship in Missouri, Illinois, and Beyond

Location: Room 102

Speakers: Hanz Atia, Angie Snyder, Christina Seibert

Establishing a New Solid Waste Management Fee: Best Practices for Legal Compliance, Stakeholder Support, and Implementation

Location: Room 226

Speaker: Eugenia Manwelyan

How to Successfully Implement an Organics Diversion Program in Multifamily Housing

Location: Room 103

Speaker: Michelle Horneff-Cohen

Leveraging Strategic Communication to Drive Program Participation

Location: Room 225

Speakers: Marissa Segundo, Katie Fournier, Howard Lee, Flavio Goncalves Jr, Jasmine Scott

2:40–3:10 PM

Landfill Design Over Soft Foundations: Challenges, Advances, Monitoring Practices, and Lessons Learned

Location: Room 223

Speakers: Jenny Ramirez, Bob Roth

3:15 PM

Energizer Park: Community-Centered Stadium Design & High-Impact Diversion

Location: Washington Lobby (tour departure)

Concurrent Sessions | 3:15–3:45 PM

Current State of PFAS Treatment for Landfill Liquids

Location: Room 103

Speaker: Suzanne Boxman

Developing an RNG Project at your Landfill from a Landfill Owner's Perspective

Location: Room 223

Speaker: Russell Anderson

Digital Eyes on the Recycling Stream: AI for Smarter Inspections

Location: Rooms 104-105

Speakers: Ramona Simpson, Larry Williams, Wesley Yland

Disc Golf and Landfills: A Match Made in Heaven

Location: Room 225

Speakers: Micah Sneller, David Hostetter, Christopher Toevs

Integrated Foam Fractionation and SCWO for PFAS Remediation: Field Results

Location: Room 226

Speaker: Eric Drugotch

Organics Management: Its Critical Place in Public Planning & the Future of Solid Waste

Location: Rooms 100-101

Speaker: Ryan Duckett

Strengthening Safety Across the Industry: SWANA and NWRA

Location: Room 224

Speakers: Kristyn Oldendorf, Kirk Sander

Trash Talk Reimagined: Delaware's Approach to Environmental Education

Location: Room 102

Speaker: Sarah Culler

Concurrent Sessions | 4:00–4:30 PM

Brazil's Urban Waste Sector: A New Frontier for American Technology and Investment

Location: Rooms 100-101

Speaker: Carlos Rossin

Facing the Heat: Challenges and Solutions to ETLF Sites

Location: Rooms 104-105

Speakers: Srividhya Viswanathan, Joseph Stevenson

Groundwater Guardians: The Role of Solid Waste Management Professionals in Mitigating PFAS Contamination in Landfills

Location: Room 102

Speaker: Handel Eleazu

Reverse Osmosis for PFAS and Emerging Contaminant Control in Landfill Leachate

Location: Room 224

Speakers: Erica Peris, Peter Baker

Textile Circularity Before and During Policy: What's Happening Right Now in Collection, Resale, and Recovery

Location: Room 225

Speakers: Alexia Bednarz, Fred Olsson, Heath Nettles

Concurrent Sessions | 4:00–5:00 PM

How Disneyland Resort is Using Data to Build End-to-End Recycling Market Value

Location: Room 226

Speakers: Adam Schlachter, Sam Ares, Shirlene Sitton, Joe Riconossocioto

Planning Landfill Maintenance for Post Closure Care and Beyond

Location: Room 103

Speaker: Evan Andrews

5:30–6:30 PM

Talkin' Trash Trivia

Location: Room 230 Prefunction

7:00–9:30 PM

Reclaimed & Reimagined: A Night at the City Museum

Location: City Museum

Friday, October 2

7:30–11:00 AM

Registration / Badge Pick-up

Location: Washington Lobby

7:30 AM–12:00 PM

Reset and Recharge Room

Location: Room 241

7:30 AM–12:00 PM

Speaker Ready Room

Location: Room 230

Concurrent Sessions | 8:00–8:30 AM

Innovative PFAS Management in Landfill Leachate: DEXSORB® Performance and Centralized Regeneration for Sustainable Treatment

Location: Room 225

Speakers: Marcos Kroupa, Gokhan Barin

Move-In/Move-Out Guide for Multi-Family Tenants, Property Managers and Property Owners

Location: Rooms 104-105

Speaker: Kim Braun

Packaging Waste, Circularity, and the EPR Mandate to Create ROI

Location: Rooms 100-101

Speaker: Gary Brinkmann

Uptime Funk: Right-Sizing Gas Control for Small and Closed Landfills

Location: Room 223

Speakers: Srividhya Viswanathan, Brian Duffy

Concurrent Sessions | 8:45–9:15 AM

Optimizing Membrane Bioreactor Performance for Landfill Leachate Treatment: New Insights on Challenges, Diagnostics, and Operational Strategies

Location: Room 224

Speaker: Jack Ambler

Scaling Resource Recovery from Mixed Waste: A Regional Case Study

Location: Room 225

Speaker: John Kelsey

Subsurface Oxidation - Early Detection, Practical Response and Proactive GCCS Design

Location: Room 223

Speaker: Stephen Townsend

The Next Generation of Depackaging (Case Study)

Location: Rooms 104-105

Speaker: Brandon Parrott

The Proven and Established UF & RO System for Sustainable and Cost-Effective Leachate Treatment

Location: Rooms 100-101

Speakers: Brian Ward, Christian Wilpers

The Untapped Potential In Commercial Recycling: A Holistic Approach in Extracting More from the Businesses in Your Community

Location: Room 226

Speaker: Nicole DiGiorgio

Concurrent Sessions | 9:30–10:00 AM

Converting PFAS-Impacted Landfill Leachate Waste from a Liquid to a Solid: Using Full-Scale Foam Fractionation and Media Superloading to Minimize Waste and Reduce Risk

Location: Rooms 104-105

Speaker: Nicholas Backman

Flow Control in Flux: How Courts, Climate, and Competition Are Reshaping Waste Ordinances

Location: Room 103

Speaker: Morgan McCarthy

Is Laughter the Best Medicine for Solid Waste Education?

Location: Room 225

Speaker: Paul Varga

Mems Biocover Mitigates Landfill Odors and Fugitive Methane Emissions

Location: Room 223

Speakers: Joshua Silverman, McKenzie Wilson, Tarek Abichou

One Big Compliance Bin

Location: Room 226

Speakers: Stephanie Ulmer, Jordan Norris, Eric Oddo

Tracking MSW in the U.S.: Where is All the Waste Going?

Location: Rooms 100-101

Speaker: Suzanne Boxman

Concurrent Sessions | 10:15–10:45 AM

End-of-Life Management of Renewable Energy Infrastructure in Puerto Rico: Solar Panels, EV Batteries, and Wind Turbines

Location: Room 226

Speakers: Ingrid Perez Ramos, Angelique Pagan Medina

Landfill Gas Wellhead Data

Location: Room 223

Speaker: David Penoyer

Leveraging Artificial Intelligence for EPR Compliance in Recycling Facilities

Location: Rooms 104-105

Speaker: Apurba Pradhan

Managing Mismanaged Waste: Developing Strategies to Reduce and Prevent Litter

Location: Rooms 100-101

Speakers: Veronica Roof, David Scott

Managing Risk and Revenue for WTE Facilities in a Volatile Energy Landscape

Location: Room 225

Speaker: Michelle Brown

Using Real-time Data to Reduce Risk and Increase Efficiency

Location: Room 224

Speaker: Lindsay St. Cin

11:00 AM–12:30 PM

General Session - Built by People: Strengthening the Workforce That Powers the Industry

Location: America's Ballroom (Rooms 220-222 and 227-229)

Speaker: Gina Anderson

1:00 PM

Inside Recycle City: Advanced MRF, Transfer & Composting Operations Tour

Location: Washington Lobby (tour departure)
