

THANK YOU SANITATION AND RECYCLING WORKERS!

We appreciate all your hard work and dedication to our community. Thank you for helping us stay safe and healthy, especially during this hard time!

DID YOU KNOW?

The Solid Waste Association of North America (SWANA) has teamed up with Glad to support sanitation workers across the United States and Canada personally affected by COVID-19 through the Sanitation Workers Support Fund.

Front-line solid waste and recycling collection workers (like YOU) can potentially qualify for assistance if they have tested positive for COVID-19 or were laid off because of COVID-19 and continue to be unemployed. SWANA is also providing money to certain immediate family members of front-line collection workers who passed away from COVID-19.

Know someone who may qualify or want to learn more and apply? Visit [SWANA.org/COVID19fund](https://www.swana.org/COVID19fund).
