

# BECAUSE SAFETY MATTERS

The Solid Waste Association of North America (SWANA) and the \_\_\_\_\_ Chapter ask you to commit to keeping yourself and others safe. Collecting waste and recyclables is the 5th most dangerous job in the United States.

Today, solid waste collection workers like you across \_\_\_\_\_ are all getting the same safety resources from SWANA and are being asked to take a safety pledge.

## HOW YOU CAN HELP

1. Review these materials closely.
2. Share them with your co-workers and employers
3. Take the SWANA pledge
4. Go to [SWANA.org/SAFETY](http://SWANA.org/SAFETY) for more solid waste safety info.

## SWANA CHAPTER SAFETY AMBASSADOR

The Safety Ambassador is your local point of contact to help with any safety questions or concerns that you or your company might be facing.
