

RFP FOR SALE OF MSW LANDFILLS IN FLORIDA

Putnam County, Florida, intends to issue a Request for Proposals (“RFP”) for the operation and sale of the County’s Class I landfills, which are used for the disposal of the County’s municipal solid waste. Under the proposed RFP, the County will allow a private company to expand the County’s active landfill, excavate and redevelop the County’s closed landfill, and build a new landfill on previously undeveloped property. The County anticipates issuing its RFP on or about February 1, 2014, and conducting a mandatory pre-proposal conference on or about February 19, 2014. Anyone interested in submitting a proposal should immediately commence their due diligence investigation. **Questions concerning the proposed RFP should be directed to the County Administrator, Mr. Rick Leary, at (386) 329-0212.**
