

SWANA

YOUNG PROFESSIONALS

CONNECT DEVELOP ACHIEVE

A Young Professional (YP) is defined as an individual in the resource management industry (aka solid waste industry) who is 35 years of age or younger. The YPs includes everyone working in the industry—from field/operations staff to office workers, working in public or private sector, operations or management, collections, processing or disposal, legal or marketing, etc.

The YP Group is committed to actively pursuing the engagement and career advancement of fellow YPs by providing learning, networking, and leadership opportunities by creating active roles in SWANA.

BENEFITS OF JOINING THE YP GROUP

SWANA's Young Professionals Group is run by YPs for YPs who are interested in advancing into leadership positions. By joining the YP group, you will benefit from:

- Webinars and conference sessions designed specifically for YPs professional development
- Mentorship program—networking and learning from industry leaders
- Opportunities to voice your opinion about the future of SWANA and become an integral part of SWANA leadership
- Access to training and development that will deliver a clear, transferable, and recognizable skill set
- Access to a network of other YPs

Join the SWANA YPs

New member YPs pay a discounted first-year membership fee of only \$100. Simply visit swana.org/join and provide your birth month and year when prompted.
